

9 August 2022

**Works Notice – Proposed Pinecrest Solar Farm Investigations**  
**Geotechnical investigations - Piling works**  
**Monday 15 – Friday 19 August 2022**  
**7am – 5pm (weather and site conditions permitting)**

Dear Resident

Please be advised, piling works will be undertaken, on the proposed Banpu Energy Australia's Pinecrest Solar Farm site, which is on the western side of the Castlereagh Highway within Lidsdale.

These works are being undertaken to better understand the site's soil characteristics. They are part of the environmental impact assessment of the proposed project and, the assessment and approval process, for developing the site.

**About the works**

The piling works will involve:

- Works from Monday 15 – Friday 19 August 2022 and between 7am – 5pm (weather and site conditions permitting);
- Semi-trailers transporting equipment to and from site:
  - Access will be via two locations along Karawatha Drive, please see map overleaf;
  - Equipment will include track-driven equipment, including a 14.5 tonne excavator, and 4.1 tonne piling machine;
- Multiple two-person crews on site.

The location of the works have been selected to minimise noise impacts and disruptions to adjacent residents, as much as practicable.

**Contact**

If you have any questions about these works or the proposed Pinecrest Solar Farm environmental impact assessment, please contact the project team or visit website:

**P:** 1800 032 358 (freecall)

**E:** [pinecrestsolarfarm@emmconsulting.com.au](mailto:pinecrestsolarfarm@emmconsulting.com.au)

**W:** [www.banpuenergy.com.au/pinecrest-solar](http://www.banpuenergy.com.au/pinecrest-solar)

Thank you for your patience, during these site investigation works.

The Pinecrest Solar Farm Project Team
